ABOUT US

Celebrate the holiday season at the annual Ferdinand Christkindlmarkt, held the third full weekend in November. Explore more than **225** decorated booths, across eight sites throughout town, featuring handcrafted gifts, Christmas décor, antiques, art, regional food, wine, and craft beer. Live entertainment and **FREE** family-friendly activities add to the magic of the weekend. Constructed in 2025, a 32-foot German-made Christmas pyramid at the historic Wollenmann House is a must-see during your visit! The four-tiered display celebrates the town's German heritage with historical figures, illuminated beautifully each evening throughout the holiday season. It's a must-see attraction!
